Director's Responsibilities and Approval

The director is required by the Companies Act of South Africa to maintain adequate accounting records and is responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards with regards to form and content and present fairly the statement of financial position, results of operations and business of the company, and explain the transactions and financial position of the business of the company at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the company and supported by reasonable and prudent judgements and estimates.

The director acknowledges that they are ultimately responsible for the system of internal financial control established by the company and places considerable importance on maintaining a strong control environment. To enable the director to meet these responsibilities, the director sets standards for internal control aimed at reducing the risk of error or loss in a cost-effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The director is of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the financial statements. Based on forecasts and available cash resources, the director has no reason to believe that the company will not be a going concern in the foreseeable future. The annual financial statements support the viability of the company.

The annual financial statements set out on pages 8 to 16, and the supplementary information set out on pages 16 to 17 which have been prepared on the going concern basis, were approved by the director and were signed.

Floris Christiaan Visser

Director's Report

The director presents their report for the year ended 31 March 2026.

1. Review of activities

Main business and operations

The company operates in the IT services sector. There were no major changes herein during the year.

The operating results and statement of financial position of the company are fully set out in the attached financial statements and do not in my opinion require any further comment.

2. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

3. Events after reporting date

The director is not aware of any matter or circumstance arising since the end of the financial year to the date of this report that could have a material effect on the financial position of the company.

4. Director's interest in contracts

To my knowledge, I had no interest in any contracts entered into during the year under review.

5. Authorised and issued share capital

No changes were approved or made to the authorised or issued share capital of the company during the year under review.

6. Borrowing limitations

In terms of the Memorandum of Incorporation of the company, the director may exercise all the powers of the company to borrow money, as they consider appropriate.

7. Dividend

No dividend was declared or paid to the shareholder during the year.

8. Director

The director of the company during the year and up to the date of this report is as follows:

Floris Christiaan Visser

9. Shareholder

There have been no changes in ownership during the current financial year. The shareholder and their interest at the end of the year is Floris Christiaan Visser (100%).

Report of the Compiler

To the Director of FIRE-IT PTY LTD

I have compiled the accompanying financial statements of FIRE-IT PTY LTD based on information you have provided. These financial statements comprise the statement of financial position as at 31 March 2026, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

I performed this compilation engagement in accordance with International Standard on Related Services 4410 (Revised), Compilation Engagements.

I have applied my expertise in accounting and financial reporting to assist you in the preparation and presentation of these financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa. I have complied with relevant ethical requirements, including principles of integrity, objectivity, professional competence and due care.

These financial statements and the accuracy and completeness of the information used to compile them are your responsibility.

Since a compilation engagement is not an assurance engagement, I am not required to verify the accuracy or completeness of the information you provided to me to compile these financial statements. Accordingly, I do not express an audit opinion or a review conclusion on whether these financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities.

Accounting Policies

1. General information

FIRE-IT PTY LTD is incorporated as a Private Company and domiciled in South Africa. The address of its registered office is 36 REGENCY DRIVE, ROUTE 21 BUSINESS PARK, CENTURION, GAUTENG, 0178.

2. Basis of preparation and summary of significant accounting policies

The financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the Companies Act of South Africa. The financial statements have been prepared under the historical cost convention. They are presented in South African Rand.

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies.

2.1 Financial instruments

Loan to (from) shareholder

The loan to shareholder is classified as a debt instrument, and is initially measured at transaction price including transaction costs and subsequently measured at amortised cost using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less.

Issued capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable.

2.2 Tax

The tax expense for the year comprises current tax. Tax is recognised in profit or loss. The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date.

2.3 Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is shown net of value-added tax, returns, rebates and discounts. When the outcome of a transaction involving the rendering of services can be estimated reliably, revenue associated with the transaction is recognised by reference to the stage of completion of the transaction.

2.4 Employee benefits

Compensation paid to employees for the rendering of services are recognised at the undiscounted amount paid or expected to be paid in the accounting period in which the services were rendered.
